FROM THE PASTOR

202 Where Faith Works

At our Session meeting a couple of months ago, Melanye Lundsford shared with us an idea that she was tinkering with. She told us about a friend who was using social media to ask people to stop at a particular time during the day and pray for a family member's medical need. Melanye explained that had sparked an idea for the same sort of thing with the church using our address number, "202." "Maybe we could ask everyone to stop every day at 2:02pm and say a little prayer for our church," she suggested. We all thought that was an excellent idea! Such a good and imaginative idea in fact, that we've been developing and growing it into a larger campaign for ways to strengthen and get the word out about the great things going on at CPC.

For the last several weeks you have seen the "202" along with a catchy tagline that fits with the central theme of the Book of James which we have been studying. There are two variations of the tagline: first, "Faith That Works," more for intra-church communication, stressing both the importance of hands-on ways to share the gospel, and CPC as being a place where our faith is deep, honest, and practical in our lives. The second variation is more about getting the word out about CPC to the community. Collierville Presbyterian Church - "Where Faith Works," aims to express some of our spiritual values to our neighbors for whom faith might not be working in their lives.

Now, we have no powerhouse advertising company and budget behind us, only the imagination, creativity, and commitment of our CPC members and friends to -with the help of God's Spirit- make this campaign successful. YOU are a critical piece of making this great idea a

success. We need your involvement and your ideas for things we can "do for the 202." As we move our words into actions there are four initial ways you can be a part:

- First is PRAYER! Pray for the growth of this congregation in numbers and in strength as a body and as individual disciples of Jesus.
- Collect and bring your QUARTERS on Sunday morning. The kids will collect them and each 202 quarters received will go to an important missional need.
- Join a SUNDAY SCHOOL and/or BIBLE STUDY group. Adults SS is discussing "Afraid: Living with Courage and Hope in Uncertain Times, by Adam Hamilton. Youth are beginning "Sticky Faith," designed to help young people explore and internalize a long-lasting faith of their own.
- Commit to promoting the work and life of the church and inviting others to be a part through personal invitation, social media, and other creative ways.

YOU are an important part of the 202 -Where Faith Works. So put your faith to work!
